
NOTE:
FOR EMERGENCY PLANNING ONLY
Due to the method, procedure, and assumptions used to develop the mudflow areas, the limits of mudflow shown are approximate and should be used only as a guideline for planning purposes. Actual mudflow areas will depend on actual storm conditions and may differ from the areas shown on the map. We make no warranties in relation to any future mudflow events.

NOTE:
Homes located in the floodplain within/below the burned area may be subject to potential increased risk from flooding/mudflow hazard.
